

Human Growth and Development Instruction - - School districts that offer human growth and development instruction are required by section 118.019(3) of the state statutes to provide parents/ guardians with the following information annually:

- an outline of the human growth and development curriculum used at their child's grade level;

- information about how they can inspect the complete curriculum and instructional materials;

an explanation that no student may be required to take instruction in human growth and development generally or in specified subjects within the program if the parent/guardian files a written request that the student be exempted; and

a statement that students exempted from human growth and development instruction will still receive instruction in the subjects under section 118.01(2)(d)2c of the state statutes (knowledge of physiology and hygiene, sanitation, the effects of controlled substances and alcohol upon the human system, symptoms of disease and the proper care of the body), unless exempted, and section 118.01(2)(d)8 of the state statutes (knowledge of effective means by which students may recognize, avoid, prevent and halt physically or psychologically intrusive or abusive situations which may be harmful to students).
