

Student Locker Searches – School districts that have adopted locker search policies specifying that the board retains ownership and possessory control of all student lockers and designating the school official, employee or agent positions that may conduct locker searches are required by section 118.325 of the state statutes to provide each student enrolled in the district with a copy of the district's policy. If the school board has adopted this type of policy and has provided the required notice of it, designated school officials, employees or agents may search a student's locker without the consent of the student, without notifying the student and without obtaining a search warrant.
