

Notice of Suicide Prevention Resources – According to section 115.365(3) of the state statutes, each school board must annually inform its professional staff of the resources available from the DPI and other sources regarding suicide prevention. Information describing the suicide prevention resources and services and how staff can access them, along with model notices, are available on DPI's Web site. School officials should also review existing district policies and any special grants they receive to see if they include any special annual notice requirements.
